

10th IRDES Workshop on Applied Health Economics and Policy Evaluation

Paris, 20-21 June 2024

The 10th IRDES Workshop on Applied Health Economics and Policy Evaluation (AHEPE) is organized by IRDES, the Institute for Research and Information in Health Economics.

The workshop covers a wide range of topics, relating to social health inequalities, health service organisation and utilization, health insurance, long-term care... with an emphasis on public policy analysis and evaluation.

14 papers were selected this year by the scientific committee based on a full or advanced draft written in English. Each paper will be presented by one of the authors and discussed by another researcher, followed by a general discussion (40 minutes in total).
