

11th IRDES-LIRAES Workshop on Applied Health Economics and Policy Evaluation

Paris, 16-17 June 2025

The 11th IRDES Workshop on Applied Health Economics and Policy Evaluation (AHEPE) is organized by IRDES, the Institute for Research and Information in Health Economics and the Interdisciplinary Laboratory for Applied Research in Health Economics & Management (LIRAES).

The workshop covers a wide range of topics, relating to social health inequalities, health service organization and utilization, health insurance, long-term care with an emphasis on public policy analysis and evaluation.

14 papers were selected this year by the scientific committee based on a full or advanced draft written in English. Each paper will be presented by one of the authors and discussed by another researcher, followed by a general discussion (40 minutes in total).
